Packaging Components

Packaging Components - Please populate with all and only the packaging components which this manufacturer provides. Please populate the components that have requested new UPC's and state 'requested new' in the Knumber column. Coman Finance uses this information to develop a Bill of Material for copackers. For example, If a WIP item uses a film, the film component belongs on the WIP New Item Form. Please do not populate on both the WIP and the repacked good sku form. Stretchwrap and glues are excluded. Liner Knumbers are needed. Please consult Packaging Procurement for the current/correct nine-digit Knumber with variant.

Manufacturing Locations

Instructions

Producing Plant(s) is the location where the food is processed. The packing location should be completed if the SKU has been packaged at a location other than the processing location. Repacked should be completed if item is repacked at another location to produce the SKU(fert) that is requested. Please provide all line numbers even when processed and packaged in one location. If an allergen is introduced, please indicate where in the next line item or populate NA. If externally produced, choose Kellogg Owned if there is an SAP BOM, or Non Kellogg Owned Materials if there is not.
