Overview

NIF, Winshuttle, Evolve, New Item Form

This form has multiple names and is used to submit new materials for creation into SAP. The form has many branches and subprocesses, so it is important to continuously monitor the progress of the form

System Link: https://wsevolveprod.us.kellogg.com/en/
Documentation Link: https://kelloggcompany.sharepoint.com/sites/DataCustodians/SitePages/New-Item-Form.aspx

Email Distribution List: There is an email distribution list that is used to communicate regularly to the LIMS; if you have not joined this list, please submit a DC ticket using the following instructions.

The NIF Form process is owned by the Data Operations Team, if you need help, training or are experiencing an error you can submit a ticket via DC at Service Catalog - digital CONCIERGE

I Need Help!

1. Go to our dedicated Digital Concierge page at [Service Catalog - digital CONCIERGE]
